Such sites are needed for waste from medical facilities, not only nuclear power. He then ordered the intended celebration to be proclaimed among the neighbouring nations, while his people exerted themselves in making the most magnificent preparations that their knowledge and abilities allowed, in order to engage attention and raise expectation.

## **Towards a Sociology of Artisans: Continuities and Discontinuities in Comparative Perspective**

Syntax is another subject warranting closer scrutiny than has so far been accorded it, for simply to affirm that the text is muddled throughout and an early example of willed unintelligibility is an act of critical cowardice.
