Ebola Myths and Facts For Dummies

Why it's easier to lose weight if you eat grapefruit. A three country comparison of words and actions in participatory local climate protection projects.

Vampirism. An Evolution from Myth to Societal Hype

Instead, what often happens is that members of the out-group set excessively ambitious goals for themselves to impress the boss quickly and powerfully-promising to hit a deadline three weeks early, for instance, or attacking six projects at the same time, or simply attempting to handle a large problem without help. You need to get your hands on them to properly assess that - minis often grow a pretty fuzzy coat in the winter, which can make them look "fat" when they really aren't.
