I have step children and one out of the four of my is still talking to me. Friedman describes how most of the things we take for granted about business, worklife, and the future, are no longer true. Circular German silver ferrule with roped border. I've read what little I can find on all of this, but there's really not much, which is surprising, seeing as this whole movement is so popular. At other firms, this probability is very slim.
