I like the use of the dark and light backgrounds, the idea apparently borrowed from Edward Steichen. They are so real, fraught with complexity, and will require the reader to use a sophisticated decision-making process. See the Largest Aquaponics Greenhouse in Central Arizona while Meadowlark performs music inspired by nature on flute, pennywhistles, and guitar. If you look to the astrology in the sky you know we live in very troubled times. Reading Age.

levels of target groups are usually not incorporated: firstly exclusively the patients' definition of quality of life is examined, not the doctors', and secondly usually only Western cultures are considered and non-Western cultures neglected. But... After reading as much as I can find on-line, the rules and regulations sound horrendous... and expensive...
