We have gotten rid of so much of our We understand that we had too many ads so we needed to do away with the feed boxes from si... In line with this, the European social partners and industry organisations of the sector have launched in October a " European Partnership for the anticipation of change in the automotive sector". Then, as now, the approach is to emphasize the frequent biological causes of insomnia rather than to attribute it primarily to underlying psychological and emotional factors. Few numbers of the Mercure, there- fore, escaped the severe scrutiny of the censors ; and I have heard him say, that in consequence of the sup- pression of entire articles, he was frequently under the necessity of supplying many pages of new matter within a few hours of going to press. It's a plane.
