Spaz: The True Story of My Life with Adhd

Many times, it's the children that are bringing in the information to the classroom, but that we like to call our families' wisdom, and where we want to recognize that these parents, who may not have a formal education, who may sometimes not even know how to read or write very well, do have a knowledge gained from life and from their struggle and from the heritage of having listened to the stories of their ancestors, and having listened to how other people in their family have gone through life. Politically active and deeply committed to social justice, he devoted his life work to rethinking positions of racism, power, and oppression using his sharp and surprising analytical skills to address the ways in which they overtly and covertly operate.

The Mix-Up at the Coop

She is a plucky girl trying to live a normal life greatly hampered by her sad ill health.
