Operations in eastern Tennessee March April Duty at Nashville until June. She has been helping educators implement project-based learning and creative technologies like clay animation into classroom teaching and learning for the past 15 years.

## **The Stink of Flesh**

Ten years after the beginning of the financial crisis and seven years since the passage of financial reform in the Dodd-Frank Wall Street Reform and Consumer Protection Act, it is not only natural but also necessary for regulators, policymakers, and the public to assess the efficacy of financial reform efforts and implementation. On retreat, we get to step out of this pattern and to see how the mind creates stories of that take us away from the present moment; we get to see the habitual patterned ways we have of

disconnecting from our aliveness; from presence, kindness and compassion.

### **The Stink of Flesh**

Ten years after the beginning of the financial crisis and seven years since the passage of financial reform in the Dodd-Frank Wall Street Reform and Consumer Protection Act, it is not only natural but also necessary for regulators, policymakers, and the public to assess the efficacy of financial reform efforts and implementation. On retreat, we get to step out of this pattern and to see how the mind creates stories of that take us away from the present moment; we get to see the habitual patterned ways we have of disconnecting from our aliveness; from presence, kindness and compassion.
